

Residence Hall Reminders

Property crime is one of the most preventable crimes on college campuses. Take these simple steps to limit your vulnerability:

- ◆ Lock your door and windows whenever you are not in your room.
- ◆ Never loan your room key to anyone.
- ◆ Never prop open outer doors. This allows unsupervised visitors to enter the building.
- ◆ Never leave notes on your door regarding when you will be gone.
 - ◆ Store valuables out of sight.
- ◆ Immediately report damaged window or door locks, missing window screens, broken windows, etc.
 - ◆ Report suspicious people!
