

Who is a stranger?

A stranger is a man, woman, or child who is unfamiliar to you.

A stranger may call you by your name. He or she may stop you to ask a question or offer you a ride.

NEVER go near a stranger's car, and no matter what, **DO NOT** get into a stranger's car!

NEVER accept gifts from strangers!

If you are ever grabbed by a stranger, **SCREAM** and **RUN** to a safe place. Go to a trusted adult and ask them to call the police.
